### PROFILE

UX Designer focused on creating practical, engaging designs for mobile and desktop in the Columbus, OH area. Motivated by the challenge of bringing technology to more people, I aim for interfaces that are inclusive yet appealing. Driven by my background in Sociology and process Improvement, I push for design that lives in the dichotomy of aesthetics and user preference.

### EDUCATION

#### Certificate in User Experience Design

CAREERFOUNDRY | MAY 2016 - CURRENT | BERLIN, GERMANY

- A 6-month intensive course for UX designers, specializing in UX fundamentals and methodology, data and research-driven approaches to design, as well as prototyping, wireframing and website optimization.
- During this program, I designed a project management app called Taskly from scratch using tools like Sketch and InVision while utilizing best practices of UX design.

#### BA Degree in Sociology

THE OHIO STATE UNIVERSITY | JAN. 2011 – AUG. 2014 | COLUMBUS, OH

### EXPERIENCE

#### Office Specialist

OHIOHEALTH - RIVERSIDE HOSPITAL | SEPT. 2014 - CURRENT | COLUMBUS, OH

- Investigate issues with patient care workflows and make process improvement recommendations, in addition to implementing changes to increase effective use of the electronic medical records, Mosaik and Epic CareConnect.
- Assist with updating and reporting departmental monthly metrics, including finances and customer satisfaction survey scores.

#### Student Researcher

THE OHIO STATE UNIVERSITY | MAY 2013 – AUG. 2013 | WARSAW, POLAND

- Conducted individual research at the Polish Academy of Sciences on, "Marital Status and Self-Evaluation of Social and Emotional Well-Being in Poland".
- Utilized POLPAN, a Polish Panel Survey, to gather data and write a final report & present a poster for the Undergraduate Research Office Student Poster Forum.
